The Edmonton Chamber of Commerce Presents

Aboriginal Cross Cultural Workshop

Did you know there are 39 First Nations in Treaties 6 and 8 and 8 Metis settlements in Alberta? In 1951 Edmonton's Aboriginal population was 661 and in 2006 it was 52,105 and growing due to rural/urban migration and higher birthrates than the non-aboriginal population. Today, Canada's First Peoples are integral to the growth of a healthy economic and vibrant community.

Does your organization know how to tap into the Aboriginal Community to do business, and recruit and retain aboriginal employees? Enhance your relationships with Aboriginal people by gaining an understanding of beliefs, values, and communication styles and how they may differ from your own, while gaining the knowledge and strategies to collaborate with this growing workforce.

This workshop will create and enhance employment and business opportunities for your organizations.
