The Edmonton Chamber of Commerce presents the **Autumn After Business Mixer & Trade Show**

Join us at this premier networking event that will help small businesses gain insight, build relationships and keep informed of emerging trends, all while enjoying a look at new Ericksen Infiniti location.

Ericksen Infiniti's goal is to provide customers with the luxury, excellence and prestige they've come to expect from the Infiniti brand and work diligently to ensure your experience meets this end.

Commitment to high standards of quality throughout all facets of business, even down to the construction of the new, eco-friendly building - Ericksen Infiniti is the only dealership in Edmonton to be heated using geothermal energy.
