Background

The Edmonton Chamber of Commerce is hosting its inaugural City of Edmonton Leader's Reception and Dinner on February 12, 2026 — an evening dedicated to celebrating civic leadership, community partnership, and the spirit of collaboration that defines our city.

Open to the public and designed especially for civic, business, and community leaders, this event will bring together those who share a common purpose: a passion for making Edmonton the best place to live, work, and operate a business.

The event will feature a networking reception, followed by a formal dinner with the Mayor, City Councillors, City Manager, Deputy City Managers, City Clerk, and approximately 200 business and community leaders.

When registering, attendees will have the request to be seated with one of three elected or administrative leaders from the City of Edmonton. There will be a dedicated Q&A portion during dinner, where attendees will be invited to ask questions to the various elected and administrative officials from the city.

Through meaningful conversation and connection, attendees will engage directly with the Mayor, City Councilors, and the City's Executive Leadership Team to explore the ideas, partnerships, and innovations shaping Edmonton's future.
